CONTINUING MEDICAL EDUCATION LEARNING OBJECTIVES:

- To learn the standard of care for diagnosis and management of viral hepatitis B and C.
- To learn to integrate viral hepatitis diagnosis, evaluation and treatment into a busy medical practice.
- 3. To learn to manage treatment of viral hepatitis B and C in patients with side effects to medications, relapsers or non-responders to initial therapy, transplant recipients, and HIV co-infected patients.

ACCREDITATION This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of the State of New York (MSSNY) through the joint sponsorship of the Westchester Academy of Medicine (WAM) and The Forum for Regional Clinical Education (FORCE) Inc. The WAM is accredited by the MSSNY to provide Continuing Medical Education for physicians. The WAM designates this educational activity for a maximum of 5.5 hours of Category One credit toward the AMA/ PRA. Each physician should claim only those credits that he/she actually spent in the activity. The FORCE Inc, adheres to ACCME standards regarding commercial support of Continuing Medical Education. All speakers participating in Continuing Medical Education activities are expected to disclose to the program audience any real or apparent conflict(s) of interest related to the content of their presentations.

This event is supported by unrestricted educational grants from:
Gilead, Intermune, Roche Laboratories, Schering-Plough, Bristol-Myers-Squibb.

Forum for Regional Clinical Education

Viral Hepatitis Symposium
